To Whom It May Concern,

I have met with Preet Grewal (DOB 9/7/70) in 2 individual therapy sessions (2/4, 2/11/10) to discuss a number of areas of concern in client's life. He was appropriate and actively engaged in the sessions. He has completed all home-work assignments he has been given. I found his diagnosis to be bi-polar II (296.89). He has demonstrated manic features in sessions. He is currently seeing Dr. K. Iskenderian for medication. Client was very motivated to continue improving his life and has been willing to discuss these issues in session. If I can be of any help, please contact me.

Respectfully,

Lance Bialik, MFT
